

Let's Enjoy Our Hobbies!

I consider having hobbies to be very important for our daily lives. It is because they give us the opportunity to have healthy minds and bodies, and we can feel refreshed by doing them. What role do you think your hobbies will play in the future? To cherish the relationships I have with my family, I'd like to keep fit by doing many activities. I'll try to live a healthy, fun life every day!

Questions:

1. What are your hobbies? What is the appeal of having a hobby?
2. Do you have any special stories / anecdotes concerning you and your hobbies?
3. What are some important points about having hobbies?
4. When did you become interested in your hobby?
5. What other hobbies do you want to have?
6. Have you had any experiences in which you deepened your understanding of foreign people and cultures through your hobbies?
7. What does your family think about your doing your hobby? Do you ever run into any troubles with your family and your hobbies?
